CSE 571	Artificial Intelligence	3.000	0.000	W	0.000
CSE 575	Statistical Machine Learning	3.000	3.000	A	12.000
		Attempted	Earned		Points
Term GPA:	3.50	Term Totals	6.000	6.000	21.000
Cum GPA:	3.67	Cum Totals	18.000	18.000	66.000

2025 Spring

Accreditation and Affiliation: Arizona State University academic programs are fully accredited by the Higher Learning Commission. Programs in the various colleges, schools, and departments are accredited by or affiliated with national bodies.

Third Party Restrictions: Information contained on this transcript is for the intended purpose only and is not to be used for any other purpose or released to any other person or organization without the written consent of the student whose name appears on this transcript. If you are unable to comply, in accordance with the federal Family Education Rights and Privacy Act of 1974, you are required to return this record immediately to:

University Registrar Services
Arizona State University
PO Box 870312
Tempe, AZ 85287-0312

Grade Point Average: Grade points earned for a course are multiplied by the number of semester hours to produce honor points. For example, receiving an "A," which is assigned four grade points, in a three-semester-hour course would produce 12 honor points. The grade point average (GPA) is obtained by dividing the total honor points by the total number of semester hours graded A+, A, A-, B+, B, B-, C+, C, D, E, EN, EU, or XE. Other grades do not carry grade points. Semester GPA is based on semester net hours. Cumulative GPA is based on total net hours. Note: Although the plus/minus scale includes a grade of A+ with a value of 4.33, the cumulative GPA is capped at 4.00, except for Law students. Questions about the grade scales may be referred to University Registrar Services at (480) 965-3124.

Repeating Courses: An undergraduate course taken at ASU may be repeated for credit if the grade of X, D, E, EN, EU, XE or W was received. Undergraduate courses in which grades of D, E, EN, EU, or XE are received may be repeated once. Prior to Fall 2007 grades marked with @ are included in the computation of the cumulative GPA. For additional policy information on undergraduate classes being repeated for credit, see <http://students.asu.edu/grades>

Tel: +1 971.2.401.8033

History and Accreditation: Khalifa University of Science and Technology was founded in 2017 by His Highness Sheikh Khalifa bin Zayed al Nahyan, Ruler of Abu Dhabi and President of the UAE. The University is a non-profit independent, coeducational institution of higher education offering undergraduate and graduate degrees. The University is a merger of the Petroleum Institute, Masdar Institute of Science and Technology, and Khalifa University of Science, Technology and Research. This latter institution also incorporated the former Etisalat University College. Khalifa University is licensed by the Ministry of Higher Education and Scientific Research of the UAE. All undergraduate and graduate programs are recognized by the ministry and have been awarded either full or initial accreditation status. Undergraduate engineering programs may also be accredited by ABET.

Course Load and Credit Hour: The academic year consists of two regular semesters (fall and spring) and a summer term. A semester consists of a minimum of 15 weeks (six weeks in summer) of instruction. The full-time course load for undergraduates is 12-19 hours per regular semester, with the normal load being 15-16. The full-time course load for graduate students is 9-12 hours. The undergraduate course load in summer is limited to a maximum 6-7 credits in a six-week summer session. One credit hour represents one lecture hour per week for one semester. A sequence of three laboratory hours per week or two hours of problem solving sessions per week are considered to be equivalent to one credit hour.

Course Numbering: Courses are currently numbered as follows: Courses numbered 001-099 are non-collegiate preparatory courses, which do not count toward degree requirements; courses numbered 100-299 are generally lower level undergraduate; 300-499 upper level undergraduate; 500-599 post-baccalaureate; and 600-799 graduate courses. Prior to fall 2017, some graduate courses were numbered in the 500-599 range.

Academic Policy Information: A student is in good academic standing unless otherwise noted. Academic action, if taken, is posted following each semester. There is no academic action following a summer term.

Attempted Courses and GPA Calculation: All courses for which a student was registered at the end of the add/drop period are listed as attempted courses. All gradable courses appear as earned credit and are used in calculating the grade point average (GPA). Repeated courses may be marked with an R. Undergraduate student may repeat a limited number of course in which they earned a grade of C- or lower. On an exception basis, graduate students may be allowed to repeat a course in which they earned a grade of B- or lower. The highest grade

earned in a repeated course is used in calculating the GPA. Such courses are noted with an "I" (included in GPA) or "E" (excluded in GPA). Earned credits (or a repeated course) are counted only once.

Grading System: The grading system has used both whole letter grades and plus/minus grades. Grades used since Fall 2017 are as follows:

A	4	Excellent
A-	3.7	Very good
B+	3.3	Good
B	3	Good
B-	2.7	Good
C+	2.3	Satisfactory
C	2	Satisfactory
C-	1.7	less than Satisfactory (Does not satisfy graduate degree requirements)
D	1	Poor (Does not satisfy graduate degree requirements)
F	0	Fail
WF	0	Withdrawn Failing
XF	0	Failure Due to Academic Dishonesty

The following letter grades are not used in calculating the grade point average:

W	Withdrawal
WP	Withdrawal Passing (after the 10th week of Instruction)
WA/WI	Administratively Withdrawn Due to Absences
P, S or CR	Pass in a pass/fail course - credit awarded
U or NC	Fail in a pass/fail course - no credit awarded
I	Incomplete
IP	In progress
TR	Transfer credit
EX	Exempted from course - no credit given
AUD	Audit - no credit or grade awarded
N or Z	No grade submitted
