BASIC INFO

I am ENFP and friendly team player, versatile with over 9 years of experience in Foreign Affairs Services, Public administration, computer technician, English teacher and Researcher. Throughout my career, I collaborated with international and local agencies and companies at various stages of their work cycles.

EXPERIENCE

2024 - PRESENT

Mongolian Academy of Sciences, Institute of History and Ethnology

Researcher

- Same as previous research field.

2024 APR- 2024 DEC

Internal Troops Organization (National Police Agency)

Foreign Affairs Officer (Lieutenant)

- Research and Analysis: I conducted research on security issues that may impact globally or regional stability and other National Guard international policies.
- Diplomacy and Negotiation: I was working on negotiation between international organizations functions same as National Guard.

2023 - 2024 APR

"Egiin gol" Hydro Power Plant

Foreign Affairs Specialist

- Analyzes foreign policy, communicates with JICA, KOICA and others, and advises on policy development and implementation.
- Quality assurance: Ensuring that all documents meet regulatory and quality standards.
- Collaboration: Facilitating communication between team members regarding document changes and ensuring collaborators have access to latest information.

2022 - 2023

Authority for Fair Competition and Consumer Protection of Mongolia (current Anti-monopoly Agency)

Public and Foreign Affairs Specialist

- Public relation and communication: I worked as spokesperson of AMA agency for press and certain Facebook live sessions to reduce price of A92 gas and implemented showing price tags at any stores etc.

2015 - 2019

Mongolian Academy of Sciences, Institute of History and Archaeology (current Institute of History and Ethnology)

Researcher

- Literature review: Reviewed existing studies, articles related to Mongols history between XII-XIV centuries. Analyzed medieval Arabic source books then translated to Mongolian.
